CBWMP Target Review Update

Target Review:

- Target achievement
- Target effectiveness
- Missing targets

Steps completed:

- Survey
- Working Group meetings

Working Group Meetings:

- Of the 6 targets reviewed...
 - No changes are proposed for one target
 - Minor changes are proposed for 5 to improve clarity, broaden scope, or improve public appeal
- Of the indicators reviewed...
 - Minor changes are proposed for 3 indicators
 - The other 3 required a whole new approach to improve their strength at measuring progress toward target achievement
