19 May 2021 at 15:45

Good afternoon,

The City of Duncan has launched **Small Town. Bright Future.**, and **Small Town. Going Places.**, to update the City's Official Community Plan (OCP) and create a Transportation and Mobility Strategy (TMS). These processes will occur over the next 16 months with the TMS planned for completion in the Fall of 2021, followed by the OCP in the Spring of 2022.

The OCP, **Small Town. Bright Future.**, will be used as a guiding document to support decisions around where we locate housing, what our social, environmental, and economic priorities are, and how we provide recreational and municipal services. Ultimately, the OCP will map out how we want to grow as a community.

The TMS, **Small Town. Going Places.**, will identify guiding principles, establish multi-modal transportation policies and networks, and establish a path forward to implementation.

Community involvement is an important part of both processes. We want to hear from people from all backgrounds and areas of our community. We need you input!

We encourage you and your organization to participate in our first round of consultation. Please visit our PlaceSpeak engagement platform and select the project(s) you are interested in to participate: [PlaceSpeak - Topics by City of Duncan](#)

You can also help by spreading the word to your friends, family, neighbours, and others in your network about taking part in the engagement processes. Let's work together to bring the ideas and priorities of all Duncan residents together!

We look forward to hearing from you. If you have any immediate questions or comments, please do not hesitate to reach out via email (OCP: [michelle@duncan.ca](mailto:michelle@duncan.ca) TMS: [bmurphy@duncan.ca](mailto:bmurphy@duncan.ca))

Sincerely,

**Michelle Geneau MCIP, RPP**

Manager of Planning

200 Craig Street

Duncan, BC V9L 1W3
