Hello Watershed Security Coalition Members!

We're looking forward to connecting tomorrow with you. Ahead of the meeting, can you please review the attached **Pathway to Watershed Security: Statement of Expectations**? This document lays out the path forward and actions needed for Watershed Security over the next 8 months.

We will be sending this to Ministers Heyman, Conroy, Cullen, and Parliamentary Secretary Donnelly and we would like to include all of the coalition member logos on the bottom. We will discuss this at the meeting tomorrow but wanted you all to be able to read it ahead of time.

Please email me back and let me know if you are okay with your logo being attached to the Statement of Expectations. If you have not sent me your logo for your organization please do so as well, and then I can also add it to the website.

If you have any questions, please do not hesitate to reach out.

Here is the **link for our Quarterly Member Meeting tomorrow**, Thursday, June 24 at 11:30am.
