## 2023 Cleanup - volunteer diver potential

Hi

I hope this is the right address.

There's a group of volunteer cleanup divers (Divers for Cleaner Lakes and Oceans - <https://cleanerlakes.com/>) that over time have had some of their group (including me) move across to the island.

I am exploring the possibility of getting a few cleanups on the island in the 2023 calendar. Would your cleanup benefit from volunteer cleanup divers? Is it typically the last weekend of August each year?

Thanks  
Philip
