Hello,

We are excited to invite you to the opening of THU-IT "Truth" for the second National Day of Truth and Reconciliation Tuesday September 27, 2022 from 4pm-7pm.

"The Thu-it project is a beautiful piece of art that is a crucial tool to understanding the true events in history and in the present. It is storytelling through an Indigenous point of view, it is reclaiming the space that is rightfully ours, it is using our voices that have been silenced for too long, it is pain, it is forgiveness, it is healing, and much more. This is only the start and we hope that it brings understanding, empathy, critical thinking/analyzing and inspiration as well as an opportunity to look within oneself. We encourage our fellow friends, neighbours, and community to partake. Remember, this beautiful project isn't about blame, it is about working together as one, aka "Naut'sa mawt"." Mariah Thomas, Thu-it Co-Creator and Researcher

PLEASE RSVP by Monday September 26th by clicking on the link below or copy and paste into your web browser.
