Dear Jill Thompson,

On behalf of the licensees of Woodlot Licence W1614 I am forwarding a copy of their draft Woodlot Licence Plan for your review. The woodlot has four sections of its tenure area within the Cowichan Lake area and one within the Shawnigan Lake Community Watershed.

All of the areas are near important lakes that are of interest to your Board so of course we thought you would like to review it.

The draft plan will also be advertised for the general public review and comment. Comments are due by October 22<sup>nd</sup>, 2022.

Please find attached:

- A letter to you
- The draft Woodlot Licence Plan
- 5 maps of the tenure area
- % .kmz files which can be used to locate the woodlot tenure areas on Google Earth.

If you have any questions please feel free to contact me.

Thank you, Brian.
