

Setting the Course

Celebrate Achievements

- The Cowichan Watershed Board has come a long way in 13 years!
- Reestablish our Commitment to working together.
- Nutsamat kws yaay'us tth qa'
- Update our mandate and our role in advancing Whole of Watershed Health.

What we Heard

- Keep up the great work!
- Clarity of role, scope and mandate
- Reaffirm membership responsibilities and strengthen relationships
- Seek adequate funding for our work and adequately staff CWB
- Engaged community (including youth and elders)
- Review strategic priorities

Work to Do!

- CWB Leadership Team – review and update our Governance Manual and Workplans
- CWB Staff – incorporating recommendations into work plan
 - Continue to improve our partnership development work!
 - Funding: Make the business case for CWB work
 - Staffing: Ensure our Staffing model reflects the priorities of the Board
 - Communications: Increase engagement and involvement of youth and elders
 - Plan for regular strategic planning sessions to help prioritize role and work of the CWB
