

# Community Update on the Koksilah Watershed

JUNE 6

7:00-8:30 PM

## Concerned about summer water flows?

Learn about:

- Watershed planning
- Flow monitoring and drought response updates
- Groundwater research
- Agricultural producer initiatives, and more

REGISTER FOR THIS ONLINE EVENT  
[HTTPS://BIT.LY/KOKSILAH-WATER](https://bit.ly/koksilah-water)

A collaborative event with opening comments from Cowichan Tribes and featuring speakers from the Province of BC, watershed researchers, stewardship organizations, industry associations, and others
