Hello Danni,

Sorry for my delay in responding to you. We have been discussing internally who would be best suited to participate on the Cowichan Watershed Board. We feel that Jenna Sutherst, who is the lead for our restoration centre of expertise for DFO's South Coast Area would be an excellent candidate from DFO. Jenna is cc'd here. I have cc'd our Senior Director of Operations for DFO in Pacific region who also supports this nomination.

Jenna is happy to participate in the July 29th meeting if that works for you. If it does, please feel free to pass along the details directly to her.

Kind regards,

Sheila
